Concept One Executive Wheels has focused on creating the finest quality, ultra light weight, one-piece wheels that embodies performance and style. With chrome stainless steel lip sizes ranging up to 5" inches deep, Concept One Executive Wheels has brought seamless designs that range in diameters from 19"-22". All Concept One Executive Wheels have been designed and engineered for proper fitments on Mercedes Benz, BMW, Lexus, Infiniti and more. OE Mercedes Benz and BMW caps are accepted in addition to all tire pressure monitoring systems. With all of these features, Concept One Executive Wheels has achieved where others have failed.
